### Comments:

- Amazing school, and \*\*\*\*\* seems very happy and is doing well.
- GREAT SCHOOL! The teaching staff are enthusiastic and caring towards my children. Thank you to all the staff who do the after school clubs. My girls love them, and have often come home excited about what they have been doing. It's great that the clubs are free making them inclusive to all. A list of subject topics to be covered throughout the school year, would be helpful, so I can look up museums, places of interest etc. relating to the subject area so we can visit.
- I cannot thank everyone at the school enough for their support with \*\*\*\*\*. Everyone has given full support and commitment to \*\*\*\*\*. Please keep doing what you are doing. Special dates coming up would be useful on the weekly newsletter to save me having to check the school website. The more information in one place, the better.
- Both myself and my boys love this school. They definitely enjoy, it didn't take them long to settle in. I would and have already recommended this school. Love it! And nothing to suggest for improvement. Well done and thank you
- We have been and continue to be, most impressed by all aspects of the school. Of particular, note 13, the holistic nature of the teaching philosophy – developing the non-academic progress of the children alongside the more traditional and measurable skills. I was very impressed to see all the team have equal opportunities at a recent inter-school sports event, putting all the children's participation above winning. One minor improvement – having the events on the website is very useful, but having them also on a newsletter would be a good reminder and also a prompt to know that a new event has been added.
- Well organised school. Frequent communication to parents/letters. Approachable staff who listen and act accordingly. Supportive environment where my child is encouraged. Excellent reward and recognition (Star of the day/week). Newsletter well-structured and consistent – thought is applied to content each week. Road safety concerns were personally addressed and moved forward between Delta and Local Council in 2018 – successful outcome reached.
