Year 3: Home-School Learning Menu 20.04.20

Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs of this completed work or examples of work of quotes about this work through our school email address: info@worlabyacademy.org.uk

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	<p>How many items can you find in your house that are made from the following materials?</p> <p>Cardboard Plastic Metal Glass Paper Wood</p>	<p>Can you create a habitat or area in your garden for wildlife to use? Which animals would you like to see in your garden?</p> <p>Can you create your own tally chart and keep a record of the different animals that you see?</p>	<p>Find a joke and share it with someone in your house.</p>	<p>Use your It's Catching ball and practice your throwing and catching skills,</p> <p>How many times can you catch the ball in 20 seconds? Can you beat this score each day?</p>
Deepen your learning	<p>Can you find any items that are made from plastic but could be made from other materials? Can you explain what will happen if we continue to use lots of plastic?</p>	<p>Research the artist Henri Rousseau and choose your favourite art piece that he produced. Can you explain why you like it? What techniques do you think he used?</p>	<p>Find some more jokes. Now phone a friend or member of your family and share it with them.</p>	<p>Take part in P.E with Joe Wicks at 9 AM.</p>
Take the challenge!	<p>Create your own campaign that will convince people to use less plastic and recycle more. You could record a speech, create a PowerPoint, design a poster/leaflet or video your own news report.</p>	<p>Sketch/Paint your own interpretation of Henri Rousseau's work.</p> <p>Which colours will you use? What animals/interesting plants will you use? You might want to take a picture of what you are going to sketch on an iPad or camera first.</p>	<p>Hold your very own comedy show! Invite the people within your household to a show, produced by you! Include some of your favourite jokes and stories to make your family smile.</p> <p>Do you have a costume you could create/wear for this?</p>	<p>Design your own work-out routine and make a video for your friends and family to follow.</p>
