	<p>Lesson 1: Vertically Opposite Angles</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet. 	<p>Lesson 2: Angles in a Triangle</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet. 	<p>Lesson 3: Angles in a Triangle – special cases</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet. 	<p>Lesson 4: Angles in a Triangle – missing angles</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet. 	<p>Lesson 5: Angles in a Special Quadrilaterals</p> <ol style="list-style-type: none"> 1. Watch the video. 2. Complete the questions. 3. Check answers using the answer sheet.

Weekly English Tasks

<p>This week's spellings</p>	<p>Learn these 10 spellings:</p> <p>accommodate, embarrassed, knight, thistle, solemn, doubt, island, lamb, whistle, autumn.</p>
<p>Reading task</p> <p>Sign up to the follow website free of charge to access eBooks and Audiobooks.</p> <p>https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</p> <p>Search the eBook Library, look for books in age range of 9 -11 years. The first eBook we will use is Time Runs Out</p>	<p>Reading Challenge</p> <p>If you could travel back in time, where would you go? What famous event would you travel back to witness? The moon landing? Egyptians building the pyramids? Create a newspaper report based on the famous event you have travelled back to witness.</p> <p>Remember to include key facts about what has happened! You may want to do some research on the famous event before you write your newspaper report.</p> <p>Don't forget to share your Newspaper reports.</p>

Year 6: Home-School Learning Menu 20.04.20

Topic Project Menu: These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs of this completed work or examples of work of quotes about this work through our school email address: info@worlabyacademy.org.uk

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Explore your garden. What bugs can you find? Can you sketch the bug and find out the name of it?	Develop your understanding of coding through Scratch or Light Bot (both free to download).	Wash up the dishes for you and your family.	Complete a home workout (like Joe Wicks) with a relative!
Deepen your learning	While visiting your garden, you meet an old tree that can talk. What stories would it tell?	Create coding games using scratch: https://brainbasket.org/en/free-scratch-lessons/	Help prepare a meal with a relative.	Create a training circuit in the garden. See if you can get another family member to join in. How many laps can you do? Can you add another lap each day?
Take the challenge!	While exploring habitats, you discover a new insect! What does it look like? How does it live its life? What will you name it? Do you think it will have any medical benefit to the world?	Create your own game, making a simple rules booklet, using simple instructions. The game may use items that can be found in your house (ask adults for permission on which items you use!).	Tidy your bedroom and keep it tidy for at least 5 days!	Help out with some gardening and make a note of the insects and birds visiting the garden.
