

**Weekly Maths Tasks**

Every Monday, White Rose Maths will release a sequence of Maths lessons.  Follow this link: <a href="https://whiterosemaths.com/">https://whiterosemaths.com/</a>  Click on <b>Home Learning</b> and choose your child's year group.	Monday	Tuesday	Wednesday	Thursday	Friday
	<p><b>Lesson 1: Adding Decimals with the same number of decimal places</b></p> <ol style="list-style-type: none"> <li>1. Watch the video.</li> <li>2. Complete the questions.</li> <li>3. Check answers using the answer sheet.</li> </ol>	<p><b>Lesson 2: Subtracting Decimals with the same number of decimal places</b></p> <ol style="list-style-type: none"> <li>1. Watch the video.</li> <li>2. Complete the questions.</li> <li>3. Check answers using the answer sheet.</li> </ol>	<p><b>Lesson 3: Adding Decimals with a different number of decimal places</b></p> <ol style="list-style-type: none"> <li>1. Watch the video.</li> <li>2. Complete the questions.</li> <li>3. Check answers using the answer sheet.</li> </ol>	<p><b>Lesson 4: Subtracting Decimals with the same number of decimal places</b></p> <ol style="list-style-type: none"> <li>1. Watch the video.</li> <li>2. Complete the questions.</li> <li>3. Check answers using the answer sheet.</li> </ol>	<p><b>Lesson 5: Challenge Friday Activities</b></p> <ol style="list-style-type: none"> <li>1. Complete the relevant questions for your year group.</li> <li>2. Check answers using the answer sheet.</li> </ol>

**Weekly English Tasks**

<p><b>This week's spellings</b></p>	<p>Learn these 10 spellings:</p> <p>desperate, curiosity, privilege, young, soul, mould, shoulder, pour, mourn, route.</p>
<p><b>Reading task</b></p> <p>Sign up to the follow website free of charge to access eBooks and Audiobooks.</p> <p><a href="https://www.oxfordowl.co.uk/for-home/find-a-book/library-page">https://www.oxfordowl.co.uk/for-home/find-a-book/library-page</a></p> <p>Search the eBook Library, look for books in age range of 9-11 years. The first eBook we will use is <b>Time Runs Out</b></p>	<p><b><u>Writing Challenge</u></b></p> <p>Finish reading Time Runs Out and continue to think about what you would do if you could travel back in time. What famous event would you travel back to witness? Create an adventure story based on the famous event you have travelled back to witness.</p> <p>How are you going to slip back in time in your story? Do you hide in an old chest and open it up in another time? Do you discover a secret doorway? What do you do when you get to your destination?</p> <p>Don't forget to think carefully about what tense you are writing in and please share your stories.</p>

## Year 5: Home-School Learning Menu 27.04.20

**Topic Project Menu:** These activities should be completed over a number of weeks and should be used to support your child's learning in other areas aside from Maths and English. We would love to see photographs of this completed work or examples of work of quotes about this work through our school email address: [info@worlabyacademy.org.uk](mailto:info@worlabyacademy.org.uk)

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
<b>Strengthen your learning</b>	Explore your garden. What bugs can you find? Can you sketch the bug and find out the name of it?	Develop your understanding of coding through Scratch or Light Bot (both free to download).	Make a snack or drink for a member of your family.	Complete a home workout (like Joe Wicks) with a relative!
<b>Deepen your learning</b>	While visiting your garden, you meet an old tree that can talk. What stories would it tell?	Create coding games using scratch: <a href="https://brainbasket.org/en/free-scratch-lessons/">https://brainbasket.org/en/free-scratch-lessons/</a>	Help with some chores in the house.	Create a training circuit in the garden. See if you can get another family member to join in.  How many laps can you do? Can you add another lap each day?
<b>Take the challenge!</b>	While exploring habitats, you discover a new insect! What does it look like? How does it live its life? What will you name it? Do you think it will have any medical benefit to the world?	Create your own game, making a simple rules booklet, using simple instructions. The game may use items that can be found in your house ( <b>ask adults for permission on which items you use!</b> ).	Write an acrostic poem for someone in your family. Describe the things you like about this person.	Help out with some gardening and make a note of the insects and birds visiting the garden.
