Maths	<p>Make sure that you are secure with your times tables! Here are a number of websites that you can use to practise!</p> <p>https://www.topmarks.co.uk/maths-games/7-11-years/times-tables</p> <p>https://www.timestables.co.uk/games/</p> <p>https://www.mathschase.com/</p>	<p>Try some baking. Measure out the ingredients correctly and ask an adult to help you.</p> <p>Create your own maths quiz for someone in your family to complete! It could be a family challenge!</p> <p>Go for a walk around your local area and time how long it takes you. Use a watch or a stopwatch.</p>	<p>Have a go at the skills check that is attached at the bottom of this document.</p> <p>Have a go at the big maths beat that, which is attached at the bottom of this document. Give yourself 90 seconds!</p> <p>Make sure that you are secure with your times tables! Here are a number of websites that you can use to practise!</p>	<p>Go for a walk with an adult in your local area. Make a tally chart of the different creatures, flowers and trees that you find.</p> <p>Practise your addition and subtraction skills using the link below.</p> <p>https://www.topmarks.co.uk/maths-games/7-11-years/addition-and-subtraction</p>	<p>Create a challenge for you and someone else in your household. Think of a number and estimate how far you could get on a walk if you completed that many steps.</p> <p>Were you right? Did you need to go further? By how much?</p> <p>Can you walk this many steps in every direction from your starting point?</p>
Writing	<ul style="list-style-type: none"> Keep a diary entry each day of the different activities you get up to. Create your own recipe for a mystery potion that could allow someone to turn invisible! Create a character description for your favourite film or book character. 	<ul style="list-style-type: none"> Write a book review based on your favourite book. Write your own adventure story about the Amazon Rainforest. Create a poem about your experience throughout school closures. 	<ul style="list-style-type: none"> Think of your favourite place to go on holiday. It can be in this country or abroad. Create a setting description for this place. Create a set of instructions telling the reader how to play your favourite game. Write a letter to your teacher next year and explain what you are looking forward to or feeling a little nervous about. 	<ul style="list-style-type: none"> Write a letter or email to a friend or someone in your family to let them know you are thinking of them. Show them that you care. Do some research about dinosaurs and create your own information text. Help the adults in your household write a shopping list! 	<ul style="list-style-type: none"> Spend some time reading in a quiet area. Create a non-chronological report about any topic of your choice. Make a list of activities you are looking forward to doing once it is safe to do so.

Year 5: Home-School Learning Menu 13.07.20

Topic Project Menu: Why not have a go at completing a few of these activities for your final week of home learning? Show us what you get up to!

I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
<ul style="list-style-type: none"> • Hold your own tree party! See the page at the bottom of this document for more details! • Go for a walk in your local area and take a few pictures of the natural environment. When you get home, have a go at sketching your favourite picture! • Create your own information text or presentation about the different famous landmarks in the United Kingdom. • Use Google Earth to explore your local area! What has changed? What is the same? • With an adult, use Google Maps to navigate your way around a walk you haven't taken before! 	<ul style="list-style-type: none"> • Have a go at designing your own bookmark and enter an exciting competition! See details below. • Have a go at Tate paint and create your own masterpiece! Use the link below! https://www.tate.org.uk/kids/games-quizzes/tate-paint • Use your computing skills to create a presentation or animation, all about your favourite movie/book character. • Have a go at the David Walliams activities using this link. They are based on his new book - 'World's Worst Parents.' Here you will find word searches, crosswords and lots more! https://www.worldofdavidwalliams.com/book/the-worlds-worst-parents/ • Click on the link below and explore the world of Nickelodeon. http://www.nick.co.uk/games/ 	<ul style="list-style-type: none"> • Each day, choose a time to discuss with someone in your household, 3 things you are grateful for. • Create an Art piece for our courtyard area that we could add in September. • Write a poem for a family member or friend you love/miss. • Read a story or watch a film with someone in your household. Sometimes all we need to do, is spend time with those we love. • Play a board game with your brother or sister. Or you can play with an adult in your household. 	<ul style="list-style-type: none"> • Go on a walk each day with someone in your household. Try and change your route each time so that you can explore a new area! • Hold your very own sports day with people in your household! • With permission from an adult at home, use GoNoodle on YouTube and complete 2 a day! • Listen to your favourite music, and create your own dance routine! • See if you can complete 'The Daily Mile' for 1 week. To do this challenge, you need to walk 1 mile a day! Do this with other people in your household.

Tree party information

- Choose a venue - host your party around a tree in your garden, or head to your Local Park or wood.
- Invite your guests - open it up to your household members.
- Make some decorations - drape colourful bunting or streamers around your special tree (just remember to take them down afterwards).
- Bring some yummy food - as an extra challenge can they make something tree-themed?
- Plan some outdoor fun! You can play games, play some music and enjoy a picnic at your party.

Skills check

A: Place Value, Add and Subtract		B: Multiply, Divide and Fractions		C: Geometry and Problem Solving	
1. Write < or > to make this correct: 384,495 <input type="text"/> 295,837	5:1	11. Circle all the multiples of 13. 8 13 20 26	5:8	21. Which of these three numbers is the smallest ? a. 0.238 b. 0.62 c. 0.3	5:18
2. Write 39,430 in words.	5:1	12. The number 12 has two prime factors . What are they?	5:9		
3. Round 247,599 to the nearest hundred .	5:2	13. 2,352 x 9	5:10	22. What shape is this a net of? 	5:24
4. What is the missing number? 92,837 93,837 <input type="text"/> 95,837	5:2	14. 3.25 x 1000	5:11		
5. Find the difference in temperatures. London 5°C Glasgow -3°C	5:3	15. Complete the sequence of square numbers . 1 4 9 <input type="text"/>	5:12	23. Estimate the size of this angle: 	5:25
6. Write this number in Roman Numerals: 665	5:4	16. Write <, = or > to make this correct: $\frac{3}{4}$ <input type="text"/> $\frac{5}{8}$	5:13		
7. 12,498 + 3,149 =	5:5	17. Find an equivalent fraction of $\frac{6}{10}$. 	5:14	24. Calculate the missing angle labelled a: 	5:26
8. 83,592 - 24,829 =	5:5	18. Write $4\frac{2}{3}$ as an improper fraction .	5:15		
9. Complete this sum without written working. 12,800 - 8,650 =	5:6	19. $3\frac{4}{9} \times 2 =$	5:16	25. The perimeter of this rectangle is 36cm. What is the missing side length? 	5:27
10. A train has 469 seats. 297 seats are empty. How many are on board?	5:7	20. Round 5.62 to the nearest whole number.	5:17		

DESIGN YOUR OWN BOOKMARK

Do you have a favourite book that makes you happy? Maybe it has inspired you, or transported you to another world.

Children are invited to design their own bookmark, based on a book, and can include both words and images.

The winning entry will receive a £30 Amazon voucher, and their design will be made into bookmarks for all the children in their school.

The design should fit onto a rectangle 6cm x 15cm. Entries can be reduced to fit this size. A printable template can be found on the North Lincolnshire Libraries website.

There are two age groups, KS1 and KS2. The winning entries from both categories will win a £30 Amazon voucher, and their designs will be made into bookmarks for all the children in their school.

Entries should be emailed to WordsCount@northlincs.gov.uk. Please give your key stage, name, age and school when submitting your entry.

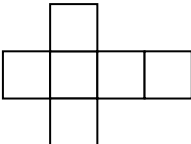

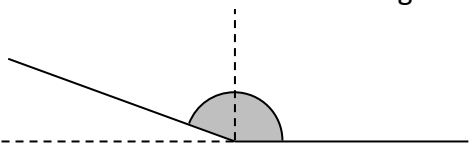

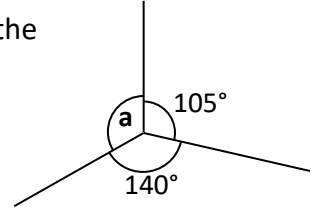

**THE CLOSING DATE FOR THE
COMPETITION IS FRIDAY 17TH JULY.**

Supported using public funding by
**ARTS COUNCIL
ENGLAND**

**North
Lincolnshire
Council**
