

14<sup>th</sup> July 2021

Dear Parents/Carers

**Music Lessons Years 3 – 6**

Last week your children had a demonstration from our Piano teacher Mrs Tandon. They were able to listen to the progress made by current pupils playing to pupils who will be in years 3-6 in September. We are an academy that positively encourages all aspects of the arts and we would like to offer these lessons to as many children who are interested as possible. There are many advantages to learning musical instruments including educational, social and emotional wellbeing.

We currently offer Piano and Guitar lessons. The cost and length of these lessons vary according to the instrument. The Piano is taught by Mrs Tandon at a cost of £6 for a 30 minute individual lesson. Mrs Tandon can also teach the Clarinet and the recorder.

The Guitar will be taught by a teacher from More 4 Music. More 4 Music were not able to attend and talk to the children due to Covid-19 isolation, but the children were able to watch a video prepared by them showcasing the instruments on offer. The cost of these lessons are £9 per pupil for a 30 minute shared lesson (2 children per ½ hour session). More 4 Music have agreed to an introductory price of £7.50 per lesson for the first term. I have attached a letter prepared by More 4 Music.

Payments and agreements will be direct with the music provider. Please contact the school office if you require any further information.

Please complete the slip at the bottom of the letter and return no later than Monday 19<sup>th</sup> July.

Yours sincerely,

Sharon Hatton

Principal

-----  
My child..... would like to begin/continue music lessons in September.
